1110 Department of Consumer Affairs Regulatory Boards

The Department of Consumer Affairs (Department) is responsible for promoting and protecting the interests of millions of California consumers by serving as a guardian and advocate for their health, safety, and economic well-being and by promoting legal and ethical standards of professional conduct. The Department helps to promote good business practices and to ensure that California's consumers receive quality services by establishing minimal competency standards for approximately 250 classifications involving approximately 3 million professionals. The Department is also an important advocate on consumer and business issues. In general, the Department's Boards and Bureaus provide exams and licensing, enforcement, complaint mediation, and education for consumers.

There are currently 26 boards, a commission, and two committees under the broad authority of the Department.

Additional information on the Department, and the various boards and bureaus, is available at www.dca.ca.gov.

Department of Consumer Affairs Performance Based Budgeting

The Department of Consumer Affairs (DCA) oversees a wide variety of autonomous Boards and Bureaus that certify, register, and license individuals and entities that provide goods and/or services in the state. The overall purpose of the DCA is to promote a fair and competitive marketplace in which consumers are protected. The DCA provides consumers and licensees with valuable information and training and processes and mediates complaints. When appropriate, cases are referred to the Office of the Attorney General (OAG) or law enforcement authorities for administrative action, civil and/or criminal prosecution.

Background

Executive Order B-13-11 requires the Department of Finance (DOF) to work in conjunction with various departments to utilize performance-based budgeting to increase efficiency and focus on accomplishing program goals. As a result, the DCA has identified a variety of ways to measure enforcement efforts for all Boards and Bureaus. Performance-based budgeting provides the DCA the flexibility to manage its resources based on fluctuating program demand.

Enforcement Performance Measures

To ensure stakeholders can review the progress of DCA's Boards and Bureaus in meeting their enforcement goals and targets, DCA has developed a transparent system of performance measurements. These measures are critical, particularly during the current climate of budget constraints, for demonstrating that DCA is making and will continue to make the most efficient and effective use possible of its resources. These measures are posted publicly to the Department website on a quarterly basis.

The DCA will assess enforcement needs based on the following criteria:

- Intake Cycle Time Average number of days from receipt of the complaint to the date the complaint was assigned for investigation.
- Investigation Cases Average number of days from receipt of the complaint to closure of the investigation process. Does not include cases resulting in formal discipline.
- Formal Discipline Cases Average cycle time to complete the entire enforcement process for those cases closed by the OAG after referral by the program. This measure does not include declined, withdrawn or dismissed cases.

Information for this special display was compiled using a variety of sources. The Consumer Affairs System (CAS) was the primary source for collecting program data, however some Boards and Bureaus do not utilize CAS because of their size or reporting requirements, so data for these programs was obtained through non-standardized reporting systems. The Bureau of Real Estate and the Bureau of Real Estate Appraisers do not utilize CAS and are unable to provide or display reporting data that is consistent with other Boards and Bureaus. Further, target numbers shown in this display are based on the Quarterly Performance Measures Report and each Board and Bureau has mandates and functions which can be significantly different. Using this data to compare the cycle time of Boards and Bureaus may not accurately capture unique aspects of individual programs. Additionally, the data identified in this display may not match the performance data in the DCA Annual Report or

the Quarterly Performance Measures Report based on the method in which the data was collected.

The following budget display represents a snapshot of existing enforcement efforts of the Boards and Bureaus within the DCA. This information will act as a baseline of enforcement performance and will allow for the tracking of future performance.

Licensing Performance Measures

The DCA is currently reevaluating the criteria by which licensing performance is measured. The DCA anticipates that it will display licensing performance targets in the 2016-17 Governor's Budget followed by actual licensing performance data in the 2017-18 Governor's Budget. To evaluate cycle times for licensure, the measure will be divided into two categories: 1) Incomplete Applications and 2) Complete Applications.

- Average Days to Application Approval (incomplete application): This is the timeframe
 from when the board/bureau received the application for exam and/or licensure to the
 time the application was approved for exam eligibility or license issuance. In this
 instance, all applications were incomplete and/or needed additional
 information/documentation from the applicant.
- Average Days to Application Approval (complete application): This is the timeframe
 from when the board/bureau received the application for exam and/or licensure to the
 time the application was approved for exam eligibility or license issuance. In this
 instance, all applications were complete and did not need additional
 information/documentation from the applicant.

1111 Department of Consumer Affairs Bureaus, Programs, Divisions

The Department of Consumer Affairs (Department) is responsible for promoting and protecting the interests of millions of California consumers by serving as a guardian and advocate for their health, safety, and economic well-being and by promoting legal and ethical standards of professional conduct. The Department helps to promote good business practices and to ensure that California's consumers receive quality services by establishing minimal competency standards for approximately 250 classifications involving approximately 3 million professionals. The Department is also an important advocate on consumer and business issues. In general, the Department's Boards and Bureaus provide exams and licensing, enforcement, complaint resolution, and education for consumers.

In addition, centralized services are provided by the Department for efficiency. Specifically, Department staff investigate complaints against licensees; develop valid examinations for applicants for licensure; monitor and advocate for legislation; provide consumer education and outreach; provide legal and audit services; and provide general administrative support involving personnel, budgeting, accounting, purchasing, and space management.

There are currently nine bureaus and one certification program under the direct oversight of the Department.

Additional information on the Department, and the various boards and bureaus, is available at www.dca.ca.gov.

1405 - BUREAU OF SECURITY AND INVESTIGATIVE SERVICES

The Bureau of Security and Investigative Services ensures that only those who meet the prescribed qualifications to offer services as private investigators, repossessors, uniformed security guards, private patrol operators, proprietary private security officers, alarm company operators, alarm agents, locksmiths, and firearm and baton training facilities be licensed; and enforces the regulations established by legislation for such licenses.

Through CAP, consumers who own a vehicle that fails a biennial inspection and who meet certain eligibility requirement can receive financial assistance for emissions-related repairs. Further, consumers can receive a financial incentive to retire their unwanted vehicle at any time for any reason. 2240 Department of Housing and Community Development

The mission of the Department of Housing and Community Development (HCD) is to preserve and expand safe and affordable housing opportunities and promote strong communities for all Californians. The HCD: (1) administers housing finance, economic development and community development programs; (2) develops housing policy and advocates for an adequate housing supply; and (3) develops building codes and regulates manufactured homes and mobilehome parks. The HCD also provides technical and financial assistance to local agencies to support housing development.

The California Housing Finance Agency's (CalHFA) mission is to create and finance progressive housing solutions so more Californians have a place to call home. CalHFA, a statutorily independent agency and component unit of state government, is not subject to Budget Act Appropriation. CalHFA is financially self-supporting, setting loan interest rates slightly above its cost and charging fees to cover its lending costs and risks. Effective July 1, 2013, pursuant to the Governor's Reorganization Plan No. 2 of 2012, CalHFA is displayed within the HCD, which reports to the Business, Consumer Services, and Housing Agency.

PROGRAM DESCRIPTIONS

1660 - CODES AND STANDARDS PROGRAM

The objective of this program is to protect the public's health, safety, and general welfare in buildings and structures designed for human occupancy through the enforcement of the relevant provisions of the California Health and Safety Code, including the State Housing Law, Employee Housing Act, Mobilehome Parks Act, Special Occupancy Parks Act, California Factory-Built Housing Law, and the Mobilehome-Manufactured Housing Act of 1980. The HCD works with factory and sitebuild building industries, stakeholders, and other government agencies to review, amend, and recommend incorporation of model building codes for conventional construction into California's building standards. The program also enforces federal and state standards for the construction, safety, sales, and titling of manufactured homes, mobilehomes, and commercial modulars.

1665 - FINANCIAL ASSISTANCE PROGRAM

The objectives of this program are to: (1) increase housing supply by providing loans and grants to develop and preserve safe and affordable housing for lower-income households, (2) promote economic, community, and job development primarily by awarding state and federal housing funds, including funds authorized by the Housing and Emergency Shelter Trust Fund Act of 2006 (Proposition 1C), (3) reduce homelessness through financial assistance and policy leadership, and (4) monitor recipients for compliance with the terms of their Standard Agreements and Regulatory Agreements. The program also promotes economic and job development through administration of the federal Community Development Block Grant Program, and is responsible for the state Enterprise Zone Program wind-down.

1670 - HOUSING POLICY DEVELOPMENT PROGRAM

The objective of this program is to help ensure an adequate supply of housing affordable to all income groups through formulation of housing policy, technical assistance and oversight for local housing plans, direct assistance to private and public housing providers, administration of planning and incentive grant programs, and information sharing.

1675 - CALIFORNIA HOUSING FINANCE AGENCY

The objective of CalHFA's lending activity is to finance housing at affordable interest rates using lending models that facilitate: (1) mortgage loans to qualified low and moderate income homebuyers to finance the purchase of an affordable home, (2) permanent loans to create and preserve multifamily housing projects, and (3) special needs housing loans to facilitate the construction, rehabilitation and acquisition of housing needed to serve special needs populations. The CalHFA also administers the California Housing Loan Insurance Fund activity, the objective of which is to encourage the preservation of existing housing and improve new housing opportunities by offering mortgage insurance products to homebuyers who might not qualify for traditional lending programs. Mortgage Insurance Services is not writing new policies, but continues to administer existing policies and claims. For more information on CalHFA, including current assets and audited financial statements, use the following link: http://www.calhfa.ca.gov/about/financials/index.htm

1680 - LOAN REPAYMENTS PROGRAM

This program displays the estimated loan repayments made under HCD's Financial Assistance Program.

9900 - ADMINISTRATION PROGRAM

This program provides: (1) effective executive leadership in designing, implementing, and communicating housing programs and policies; (2) fiduciary oversight and sound fiscal management through its audit, accounting, and budget functions; (3) development, review, and implementation of legislation affecting the Department; (4) housing-specific legal expertise; and (5) support services in the areas of personnel, information technology solutions, business services, and contract management.
